NRT India Classically was only NRT. NRT (New Rider Tutorial) Becomes. NRT India (Northern Research and Training in India), a premier coaching institute of India, is committed to achieving academic, social, and emotional success of young talents in a positive environment of learning. NRT India was established on Bhadrapad, Krishna Saptmi, 2067 i.e. 31st Aug 2010, by Mr. A. N. Pandey in the presence of ubiquitous blessings of trust worthy 'Hanuman Ji' (Ram Bhakt). Initially the institute was founded as NRT (New Rider Tutorials) by the then director Mr. Indu Shekhar Shukla in 1997 and later on it is transformed as NRT India. Being a part of the Indian Education system (IES), it is registered as per the Society act, under S. P. GRAMYA VIKAS EVAM GRAMODUYOG SANSTHAN LUCKNOW, and it has its own registered Trade Mark. Right from its inception till date, it is involved in delivering excel quality education to its students as per the current desirable standards. With its outstanding output, NRT INDIA has attained an esteemed place among the coaching institutes in Lucknow. Because of the professional experts and unique study materials, every year the students of NRT INDIA secure top ranks in the 10th and 12th board exams as well as other competitive exams like NEET, IIT-JEE.

Over this long period, the NRT India is continuously updating its performance due to devoting efforts of educators and students together, year after year, in pursuit of a single goal. With a passion to be the best, the NRT India is constantly renewing itself and yet remains unchanged in its resolve to reach its ultimate destination. The Institute having study centers now in Lucknow, Barabanki, Dehradun and Pratapgarh. NRT India offers different category study in field of Engineering and Medical entrance preparation examinations. Providing dedicated services for IES, Mr. A.N. Pandey, Founder of NRT India, organized a 'Non-Stop Mega Class for Physics' by himself which stands for 26 hours from 4.00 PM December 11, 2011 to 6.00 PM December 12, 2011, at NRT India, Indira Nagar, Lucknow (U. P.). He made a World Record, for which he awarded by India Book of Records as India's First Teacher for conducting the longest Physics Class. Again, he broke his own record by organizing 'RECORD BREAKING SINGLE LECTURE PHYSICS CLASS' for 31.5 hours from 28 April 2018 (11.00AM) to 29 April 2018 (6:30 PM), at NRT India, Barabanki branch, Barabanki. U.P.

Vision & Mission

When we feel in Indian Education system (IES), we can add more and more to smoothen the present challenges like monitoring, accountability, trust and inefficiency in taking responsibility for desired results. We started to teach students preparing for the Medical and Engineering and students of academics from VIII to XII by the arrangement of a team of expert and experienced teachers.

The name NRT India has been trusted by thousands because of its values and performances. Now NRT India has become a brand by providing clean, transparent, disciplined and awesome result oriented environment to students of the nation. The historical story of the NRT India is based on the success of a lot of scholars who have cleared the most challenging different competitive exams leading to Medical and Engineering. We aim to promote and nurture the students for scientific and technical education. The ultimate aim of NRT India is to shape the young talents of our great India into patriotic, disciplined, responsible, and reliable citizens with a scientific approach.

I,
Simran Srivastava student of NRT - India, PMT
batch feel very proud to be a part of this
prestigious coaching. this coaching is giving
me the correct direction & guidance in reaching
my goal. all the respected teachers of this
coaching are very helpful and supportive and
teaches in a very simple and understandable form
form especially Pandey Sir our Physics teacher,
with him Physics is always so much fun and
I have started liking it very much.

the best part of his teaching is that the students can get help & guidance any time they want. Every teacher is ready to help you in each & every manner and at any time. They also teach ^{us} the morals of life which are also very useful for us.

I am lucky to be a part of this coaching and also to get the guidance & support of such qualified teachers.

Simran Srivastava
(PMT Batch) NRT-India

I am Bithika Chakrader of Batch PMT.

I studied in this coaching from past 3-years from class 11. I am feeling very proud to be a part of this coaching and a student of Pandey Sir. After becoming a part of this coaching my life has got a turning point my confidence level have been increased very much.

The teachers of this coaching are very supportive and increase all the students moral very much. One good schoolmaster is worth of thousand priest", saying is truth for our Pandey Sir. Pandey Sir's guidance and moral support give us ultimate support to reach our destination & to achieve our goal.

I am very lucky to be part of this prestigious coaching and a student of Pandey Sir.

Bithika Chakrader
NRT India.

NRT INDIA, coaching center supported me very much during preparation for the PMT. Clear and step by step explanation of subject matter is a special quality of this coaching.

Physics [A. N. Pandey Sir] and Chemistry [D. P. Sir] faculty of this coaching is best in all over INDIA and we all know Biology is only and only learning subject. This coaching proved a boon for me. I gladly recommend this coaching for coming aspirants.

This coaching is not a business like others coaching, where no time to solve the problems related with all subjects. This coaching gives extra care for migrant students. This coaching is unique in one thing, that is 24 hours - this coaching open for PMT/IIT-JEE students.

In every PMTAM of the day, you can go coaching for ur problems. So, this coaching is complete in itself for every hardworking & aspirant students.

So, I feel proud to recommend this coaching to my success seeking friends.
